1. COMPANY OVERVIEW & VISION

About NexGen Dynamics Ltd.

NexGen Dynamics Ltd. is a premier multinational technology and engineering conglomerate headquartered in Noida, Uttar Pradesh, India. Incorporated in 2012 by Dr. Aditya Rajan and Ms. Preethi Nair, the company has grown from a 12-person startup into a workforce of over 1,200 professionals operating across 18 countries. NexGen specializes in industrial automation, embedded systems, AI-driven analytics, enterprise software platforms, and cybersecurity consulting.

The company's core philosophy — 'Engineering Tomorrow's Solutions Today' — drives every product and service offering. NexGen has filed 47 patents globally, holds ISO 27001 and ISO 9001 certifications, and has been recognized as one of India's Top 50 Technology Innovators for three consecutive years (2022, 2023, 2024) by NASSCOM.
